

S.O.A.P STUDY

THURSDAY 7TH JANUARY 2021

Submit yourselves, then, to God. Resist the devil, and he will flee from you. Come near to God and he will come near to you. Wash your hands, you sinners, and purify your hearts, you double-minded.

JAMES 4:7-8 NIV

OBSERVATION:

APPLICATION:

PRAYER:

Scripture

Read through the daily scripture/s slowly & thoughtfully asking God to speak to your heart through the scripture/s.

Look at the scripture/s again and reflect for a few minutes. What does the scripture seem to be saying about God, and maybe also the people in the passage.

Observation

Application

Now honestly ask your self how the scripture might apply to your own life. Was there one key verse/phrase that stood out to you more? Maybe it's teaching you about God's likes & dislikes, or it revealed to you an action to begin, a promise you should claim, or an attitude or sin you need to change.

Write down a sentence or two about what you learned to apply to your life from the scripture. Now Pray and ask God that by his Holy Spirit he will help you to begin to apply the truth you received from his word in your life today.
