

# S.O.A.P STUDY

## TUESDAY 12TH JANUARY 2021

Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God. Consider him who endured such opposition from sinners, so that you will not grow weary and lose heart.

HEBREWS 12:1 NIV

### OBSERVATION:

### APPLICATION:

### PRAYER:

## Scripture

Read through the daily scripture/s slowly & thoughtfully asking God to speak to your heart through the scripture/s.

Look at the scripture/s again and reflect for a few minutes. What does the scripture seem to be saying about God, and maybe also the people in the passage.

## Observation

## Application

Now honestly ask your self how the scripture might apply to your own life. Was there one key verse/phrase that stood out to you more? Maybe it's teaching you about God's likes & dislikes, or it revealed to you an action to begin, a promise you should claim, or an attitude or sin you need to change.

Write down a sentence or two about what you learned to apply to your life from the scripture. Now Pray and ask God that by his Holy Spirit he will help you to begin to apply the truth you received from his word in your life today.
